

Game Rules for the «Clix – Special Days» Promotion

General information

1. «Clix – Special Days» is the name of a promotion offering the chance to win free game credit for online instant ticket lottery products worth a maximum total of CHF 55,000.
2. Swisslos, a cooperative domiciled in Basel, is running this promotion in the territory of German-speaking Switzerland¹, Ticino and the Principality of Liechtenstein (collectively the Swisslos Contract Territory) in accordance with these Game Rules.
3. These Rules supplement the Terms for Online Participation, general Game Rules and Terms of Participation for Online Instant Ticket Products «Clix», as well as the individual Game Rules for all Online Instant Ticket Products «Clix».

Entitlement to participate

4. The «Clix – Special Days» promotion consists of ten clearly separate rounds (see below).
5. Participation in the promotion requires a purchase of the «Instant Ticket of the day» defined for the specific round. Players must have a game account on the Swisslos Internet Gaming Platform in order to be able to make such a purchase. Only persons of at least 18 years of age and residing in the Swisslos Contract Territory may open a game account.

Prize structure

6. For each round, free gaming credit for Clix online instant tickets worth a maximum of 5,500 will be awarded. This amount comprises free gaming credit worth a maximum of 5,000 francs, which is automatically awarded to the players, plus 5 x 100 francs each day, which is awarded after each round as part of the «daily draw».
7. With a purchase of the «instant ticket of the day», every 10th play automatically wins the purchase price in the form of free gaming credit for Clix online instant tickets. The winner is selected from among all the Clix online instant tickets sold for the corresponding «instant ticket of the day». This means that 10 purchased «instant tickets of the day» do not guarantee a prize.
8. If the amount of free gaming credit awarded in a round exceeds 5,000 francs, the automatic award of the free gaming credit will stop early.
9. Every person who purchases the «instant ticket of the day» in a round therefore automatically takes part in the «daily draw» which is conducted regardless of the amount of the automatically awarded free gaming credit in a round. For each round, 5 winners will be selected who will each receive free gaming credit worth 100 francs.
